

Blowers Green Primary
Newsletter Monday 9th March 2020

Well Done Class One! On Friday 7th February Class One completed their sponsored walk for their class charity, the Royal Society for the Prevention of Cruelty to Animals (RSPCA). They braved the chill and walked 2 miles, which is 26 laps around the playground! Everyone took part and all completed the challenge with big smiles. Thank you for all of your support in this super sponsored walk! We have raised a fantastic £251.70

ATTENDANCE MATTERS!

CLASS	ATTENDANCE %
WHOLE SCHOOL	94.73%. (our target is 96%)
Reception	95.81%
Class 1	94.61%
Class 2	93.78%
Class 3	96.19%
Class 4	94.54%
Class 5	94.52%
Class 6	93.74%

Residential We have had a positive response to the Pioneer Residential trip in December 2020 and all places have now been filled.

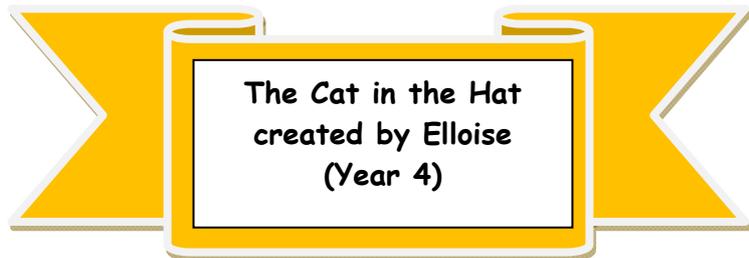

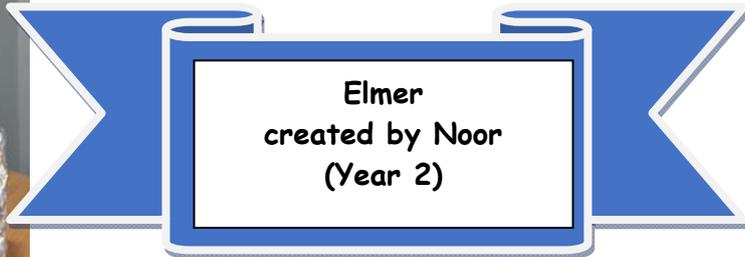

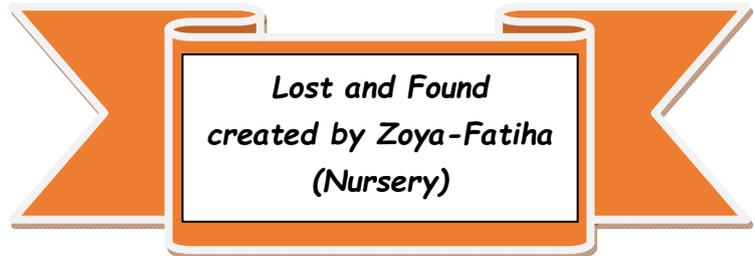

The Primary Lifestyle Survey 2020 - In recent weeks, children in Years 5 and 6 have completed the annual Primary Lifestyle Survey. The Survey looked at gaining an insight into young children's understanding of keeping healthy, clean, safe (including online) as well as asking children about their eating and sleeping habits. The survey also asks children to consider how they help keep their minds healthy too. We look forward to receiving the findings which will provide an ideal base for planning towards a better curriculum and a healthier school.

Safeguarding - A gentle reminder to parents to ensure that all children are handed over to staff on duty each morning. Staff have noticed a number of parents and careers saying goodbye to their children at the gate on Blowers Green Road. We thank you for your support with this.

World Book Day 2020. As you are all aware, this year was a little different with children 'dressing a potato' as their favourite book character. We have been 'wowed' by the fantastic entries and wish to take this opportunity to thank our children and their families who participated for their fantastic efforts. Everyone who entered will be rewarded with a prize for their efforts. Thank you!

Congratulations are extended to the following winners in each Phase:

Governor Visits to School - Our governing body are actively involved with the School and work in close partnership with leaders to ensure our School continues to go from strength to strength. During this week, governors conducted a Learning Walk around to see first-hand just how wonderful the start of day is for children at Blowers Green. Governors wanted to share the following comments with parents and carers:

All staff in school surround each and every child with excellence every day...

Children are polite and courteous, their manners and conduct around school are excellent'

'A delightful start to the school day...parents and carers spoken to are so happy that their children attend Blowers Green!'

'Every Second Counts' – not 1 minute is lost. We mean business in this school and learning matters!

'Children are smart and well prepared for learning. Parents and carers are to be praised for this...'

'One parent said 'I love this school, and even though we have moved house, I am not moving my children away from this brilliant school'.

'It was super to see so many parents supporting their children with the exciting World Book Day take home task. What creative parents we have!'

Mrs Hazlehurst – Vice Chair of Governors
