

Blowers Green Primary  
Newsletter Monday 19<sup>th</sup> October 2020

Blowers Green Primary School is part to be part of Dudley Academies Trust.

Our 5 core values are at the heart of all that we do. Our values give us a shared understanding of how we should all behave so that we can all be happy and successful.

What do the values mean in practice?

- **Dreaming Big** - There are no limits to how far our pupils can go in their learning and in all of the other activities they choose to participate in.
- **Rewarding Effort**- Anything worth doing well, requires real effort and the determination to learn from setbacks and try again. We believe that encouraging our pupils to always give 100% will enable them to do even better.
- **Leading Together** - We recognise the importance of learning leadership skills. We will encourage all of our pupils to take ownership of their learning and involve them in school decisions.
- **Respecting each other and our world**- Respect is fundamental to a cohesive society. We will show our pupils respect and in return expect a culture of mutual respect for each other.
- **Learning that inspires**- Our children deserve the best education that we can provide. We will promote positive attitudes so that learning is inspirational.

**ATTENDANCE** -The current National Average for school attendance is 88%. We are delighted to report that our school attendance is above National. Well done everyone! Let's work together to keep this up.
