

Free School Meals

COVID-19: FSM Voucher System

Updated 02/04/2020

As of the 20th April 2020, Blowers Green Primary will be using the new Government approved Free School Meal Voucher Scheme. This replaces the current system.

Each week, you will receive a voucher worth £15 for each child who attends Blowers Green Primary School. **Please note that the vouchers will be sent in term-time only.** All vouchers will be sent as an 'eCode' **via email** to a parent/carer and you have the option of presenting the voucher either on your phone/tablet or as a paper copy at your chosen supermarket.

Finally, please ensure you have sent us a current, working email address.

Thank you for your co-operation

Blowers Green Primary
