

IMPORTANT INFORMATION

Arrangements for Home Learning

Dear Parents and Carers,

We find ourselves in challenging circumstances; we will all need to do our best to help each other. We must, of course, all follow the advice given to us to help us keep safe and well and we know that each family's circumstances are different.

At the moment we have a few members of staff and some children not in school and these numbers are likely to increase. Mrs Sehmbi, with governors' support, has been planning what our school will do for children learning at home in the coming days and weeks.

We will make sure that all of our children have reading books - regular reading practice and listening to stories is so important. Some "on line" resources will be available via our school web site and there will be links to other sites that might be useful.

The Blowers Green community is a family and we know that we can count on your support.

Thank you for the expressions of support our staff have already received. This difficult time will pass and the school family will come back together even stronger!

Yours sincerely,

Mrs Pat Hazlehurst (Vice Chair)

.....

School at Home

Your child's education, as always is of the utmost importance to us and we take our responsibility to provide a quality education very seriously. With this in mind, we are fully committed to ensure that children's learning at home will continue.

If your child is absent from school, the School's website is a fantastic place to start. By clicking on the following link, a wide range of School Curriculum activities, suitable for all year groups are available <https://www.blowers.dudley.sch.uk/pdfs/links-freewebsites.pdf>

In the event of a full School closure, arrangements are being made for a programme of work to be available for your child. **PLEASE NOTE** this site is currently under construction and you will receive a text message when this home learning site 'goes live'. Please see below instructions as to how to access the site.

Step 1: Visit this site <https://www.dudleyacademiustrust.org.uk/hiddenarea/blowers-green-primary-school-at-home> Here you will find learning materials that your child's teacher has prepared.

Step 2: Click on your child's year group tab

Step 3: Click on the day and find tasks for the correct day of the week.

Step 4: In addition to the work set, a temporary email address will be set up to allow you and your child to communicate with the class teacher.
